ABOUT MATHERAN

Matheran: The Greenest Hill Station in India

Matheran is one of the greenest hill stations in India, located in the Western Ghats Range at an elevation of around 800 meters (2,625 feet) above sea level. It is Asia's only automobile-free hill station, making this place quite peaceful and beautiful. Located around 90 km from Mumbai and 120 km from Pune, Matheran experiences heavy rainfall during the monsoon. The steep cliffs of Matheran offer stunning viewing points.

Matheran is known for its mild climate and well-preserved colonial architecture. Motor vehicles are banned, and many visitors arrive by narrow-gauge railway on the 1907 Neral Matheran Toy Train. The Panorama Point lookout offers views across the mountains of the Western Ghats, while Louisa Point provides views of waterfalls and the ancient Prabal Fort.
